EXPORTSEFTON launch event to drive business growth in the region

A new initiative designed to drive awareness of export opportunities for Sefton businesses, Sefton Exporters' Network, has held its launch event - The Route to Global Trade.

The event took place at Peel Ports, Maritime Centre and was the first in a series of events designed to give local Sefton SMEs

access to advice and information about export.

Established in partnership between Sefton Council, local businesses and Liverpool and Sefton Chamber of Commerce, the initiative is also being supported by UKTI.

The evening included talks from businesses that already have an international foothold which were able to distil valuable first-hand advice on exporting. ([More...](#))

The second Sefton Exporters Network event will be held on Thursday 9th July at the Cunard Building, Liverpool. ([More...](#))
