

Give the gift of Christmas to children in Sefton

Everyone knows
the best thing about Christmas is giving
presents. This Christmas, Santa Claus has
sent his elves from Lapland to join
The Mayor of Sefton to give presents to the
children who need them but

he needs **YOUR** help!

You can make sure Sefton's children wake up on Christmas Day with a present under the tree and a memory to treasure forever. All you have to do is donate brand new, unwrapped presents by **20 December** at the following locations: Bootle Town Hall; Southport Town Hall; all Sefton Council libraries and leisure centres and Asda in Southport. Donations of gift cards and toiletries are also welcome for older children and teenagers.
