

Your Opinion Matters

Merseytravel is interested in the views of people from across the region.

We will be holding a series of focus groups to help test new products and services and gather feedback on the services we provide.

We would like to hear from you if you can spare two hours, up to five times between April and December 2018.

Participants will receive vouchers for each session attended.

HOW TO GET INVOLVED

Complete the online survey at: www.smartsurvey.co.uk/s/focusgroupsucr
