## Envirolink Northwest Offshore Wind: The Business Opportunity

## Date

Tuesday 16th November 2010

**Time** 09:00 - 13:20

## Venue

The Abbey House Hotel Abbey Road Barrow in Furness Cumbria LA13 0PA The offshore wind sector is set to grow significantly in scale over the next few years. The Irish Sea Round 3 zone has a potential value of  $\pounds$ 42 billion. The opportunities cover a broad range of technologies and services from environmental assessment to heavy fabrication. This event will provide current and potential supply chain businesses with a briefing on the scale of opportunities, industry requirements and support available.

and timelines for development10:00-10:20RenewableUK - Rhys Thomas will detail the opportunitie for supply chain companies over the next few years10:20-10:40The Northern Way - Dr. Ian Hanley will provide a timely update on the Governments support for the offshore sector10:40-11:10Refreshments
