Advertise your commercial premises FREE with Investsefton

Investsefton co-ordinates the councils on-line COMMERCIAL property database for sites and

premises in the Sefton Council area. This is a FREE service providing estate agents and individual commercial property owners or landlords with the option to advertise their sites and premises in one place.

The property search facility managed by the Local Enterprise Partnership and used by all Merseyside Local Authorities.

Investsefton receives numerous enquiries from business clients looking for Commercial premises in Sefton. If suitable premises are found on the database then these are emailed to the potential tenant who may choose to contact the agent directly for more information on the property. Many others search the database directly via the [Property Search](#) link on our website.

Keeping the database up to date ensures that our business clients have the best information available and it proves to be a beneficial and free marketing tool for agents/owners and commercial landlords.

If you would like to add your premises to the database or are looking for commercial premises in the Sefton Council area then email: angela.baruch@investsefton.com
