machines take's cash and card*

investsefton

Sefton Council's business
support and inward
investment service

Come join us for breakfast at the Lake House – InvestSefton will be hosting an economic forum at The Lake House- a new enterprise owned by Sefton Council.

The forum will cover a variety of topics as well as providing an economic update from the Bank of England.

The forum is a relaxed and informal event, with many opportunities for networking and meeting other business owners, leaders, and support providers from across Sefton and the region.

Speakers:

- Ken Clark, Deputy Agent – Bank of England
- Robin Tudor – Head of PR Liverpool John Lennon Airport
- Geraldine Fuller, BIPC Liverpool City Region
- Mick Gallagher – Capital Growth Fund St Helen's Chamber of Commerce

Following the Forum, businesses will be able to browse the **Sefton Growth Hub Business Marketplace**, and learn about funded business support, including skills development, digital marketing, and carbon reduction.

Who should attend?

Any business, any size, any sector located in Sefton.
