investsefton

Sefton Council's business support and inward investment service

The Financial and Professional sectors are well represented in Sefton, and we believe that bringing these businesses together will encourage and stimulate growth in the borough.

It will also provide an opportunity for InvestSefton – Sefton Council's Business Support and Inward Investment Service to highlight any initiatives, support and funding that might be of interest to you or your clients.

In addition to this we have invited Mark Borzomato, Chief Executive from River Capital (Formerly Merseyside Special Investment Fund) to present at this meeting.

River Capital Limited are a Liverpool based fund management business. Mark will clarify their strategy for supporting business across the LCR and provide an overview on the range of products and services currently available to businesses.

Who should attend?

Any financial or professional business in Sefton such as, accountants, solicitors, estate agents, surveyors etc

Booking

To book your place(s) call Dom or Sharon on 0151 934 3452 or email investsefton@sefton.gov.uk

*Prior to COVID InvestSefton used to host this network twice a year (it was previously known as the financial and professional forum) it was a well-attended forum with over fifty businesses attending regularly.
