On **Thursday, 2nd November** InvestSefton is hosting the next **Sefton Huddle** networking meeting for digital, creative and tech businesses at The Park Hotel Netherton.

We hope you will join us!

The November meeting will begin with half an hour's B2B networking followed by a talk '**Stand out from the crowd – marketing and developing your brand as a creative business**' by Andy Kent, founder and MD of Liverpool-based Angel Solutions Ltd who develop web-based applications for the educational sector.

We will also have a short 'Meet the Business' interview with Huddle member Fiona McGregor of One Media Solutions and an update on business support, followed by networking and **speed dating** so book early and we will hook you up!

Over 40 businesses attended the June meeting and feedback was great, we anticipate similar numbers for the November meeting.

Who should attend?

Digital, creative and tech businesses based in Sefton.
