### Christian Spence Economist Institute of Place Management

Christian is the founder of Economic Analytics, Economic Data Lead at Open Innovations and Chief Economist at the Institute of Place Management.

He will provide an informative and thought-provoking insight into the current UK economic climate.

### Danny Donachie Business Coach and Mentor Embodyism

Danny is a business coach and mentor at Embodyism and former Head of Medical Services at Everton Football Club.

He will share his coaching techniques and explore how our own mindset can hold us back, and how we can challenge ourselves to grow and in turn achieve greater growth in our businesses.

### Phil Porter Chief Executive Sefton Council

Phil took up the position of Chief Executive at Sefton Council in July 2023.

This is Phil's first Forum and as well as introducing himself he is looking forward to meeting Sefton businesses.

### Robin Tudor Head of PR Liverpool John Lennon Airport

Robin is the head of PR at Liverpool John Lennon Airport.

He will share the future vision and plans, as well as discussing how they can support commercial travellers.

### Vince Luk Director iFi Audio

Vince Luk will be chairing the event.

Based in Southport, iFi Audio is an award-winning audio tech company.
