InvestSefton working in partnership with AdaptiveComms, a Southport based telecommunications business, would like to invite you to an immersive '**lunch and learning**' session on cyber security and fibre connectivity.

The informative session will cover:

- Insights from industry experts including:
 - LCR Connect – Learn about how it can help your business thrive in the digital world
 - UK Global – Hear from a Cyber Insurance expert how to protect your business from the financial threat of a cyber attack
 - AdaptiveComms will talk about the threat of cyber-attacks including real life examples and what you can do about it
- 1-1 sessions with experts
- FREE Cyber and Fibre Business Audit
- Exploration of regional connectivity and fibre infrastructure advancements
- Networking opportunities

This event will provide an opportunity to take part in interactive activities and discussions on cyber security, connectivity innovations, and will provide guidance on cyber insurance.
