If you are a business based in Sefton, we would love you to join us at the Summer Economic Forum, on **Thursday, 6th June** at Formby Hall Golf Resort & Spa.

The forum will provide a platform for topical and interesting presentations:

- **Christian Spence**- Economist, will provide an insightful economic update.
- **The Big 3!! The Horizons Project (UKSPF)** has been launched in collaboration with the **University of Liverpool, Liverpool John Moores University and Edge Hill University**, to offer bespoke support for SME's to increase productivity, access knowledge transfer workshops and adopt emerging technologies.

Fiona McGregor, owner of **One Media Solutions Ltd**, a digital marketing agency based in Southport will chair the forum.

As ever, the forum will be a relaxed and informal event, with opportunities to network with other Sefton businesses and support providers from across the Liverpool City Region.

Afterwards, delegates can browse the **Business Marketplace** – meet the teams from the Universities as well as meet other funded providers who can provide support to your businesses – there will be over twenty providers in the marketplace.

Who should attend?

Any business, any size, any sector located in Sefton.
