If you have any dietary, access or other requirements please let us know.

Join us for **Sefton Huddle**, a networking group for Sefton's **digital, creative and tech businesses**.

We will be joined by **Fureai**, new tenants in the Eastbank building, who will do a presentation on **Connected Reality**.

The University of Liverpool VEC (Virtual Engineering Centre) will present on the new Podcast Studio which they are fitting at Eastbank.

You will also have the opportunity to have a **tour** of the new flexible working space available at **Eastbank**.

As with all our events it will be **relaxed** and **informal**, and a great opportunity to network with other local DCT businesses and hear some interesting presentations.

Complimentary **sandwiches** and **refreshments** will be provided.
