Sefton Council 

Join us for **Sefton Huddle**, a networking group for Sefton's **digital, creative and tech businesses**.

We will be joined by **Alex Kunawicz** from **Holovis**. He'll be talking about their pioneering work in the theme park and visitor attraction sectors, and will also have an exciting announcement to make.

**Cecilia Verissimo** from **Form** will be joining us to talk about the support programmes they can offer to digital, creative and tech businesses.

You will also have the opportunity to have a **tour** of the new flexible working space available at **Eastbank**.

As with all our events it will be **relaxed** and **informal**, and a great opportunity to network with other local DCT businesses and hear some interesting presentations.

Complimentary **sandwiches** and **refreshments** will be provided.
