Topical Presentations:

- **Christian Spence, Economist**, who will deliver an insightful and lively economic update.
- **Professor Matthew Flynn, Co-Director of MusicFutures**, a £6.75 million Arts & Humanities Research Council project, who will highlight the impact of the music sector across the Liverpool City Region.
- **Mike Swift**, Chairman of the newly formed **Southport Music Board** will provide an update.
- **Mark Catherall, Head of Tourism, Sefton Council**, who will discuss the impact of Salt and Tar, Sefton Council's flagship outdoor events venue in Bootle, and its contribution to the local economy.

Business Support Marketplace Showcase:

- **George Wright** of **LCR Finance Hub**, who will outline the support available to businesses seeking finance.
- **Angela McClelland, InvestSefton's Diagnostic Consultant** who will speak about the support she has been providing to Sefton businesses.

The forum will be chaired by **Shaun Hunt** of **Soundhouse Recording Studio**, a successful Sefton-based business with a strong reputation in the creative sector.

Guests will also be entertained by **Grace Hunt**, a talented **Sefton-based singer**, vocal coach and actress, who will perform a selection of songs during the forum.
